

WHY US?

My Blue Cruise is an independent Gulet charter company providing a unique cruising experience along the **Turkish Riviera**. It is our goal to provide an unforgettable sailing experience for our guests. We cruise along the famous turquoise coast, one of the **most beautiful coastlines** in the world.

Having this **experienced crew** attending to all your needs, you will share the boat with just a few other couples or single travellers.

Your home away from home is a beautiful, hand-constructed wooden yacht called "**Seaborn Legend**", a traditional **Turkish Gulet** with 8 double or twin cabins with en suite bathrooms.

- ✓ *Freediving sessions in crystal blue waters*
- ✓ *Yoga classes on board*
- ✓ *Hikes in the stunning scenery*
- ✓ *Attached bathroom and air conditioner*
- ✓ *Freshly prepared traditional meals*

OUR TEAM

Captain Ali's crew has **fifteen years** of local sailing experience, enabling us to pass first-hand knowledge to our guests. It's our pleasure to show you parts of Turkey you won't find in any guidebook or travel publication.

"We had the nicest, most accommodating crew with our favourite captain, Ali! They made sure we were safe, comfortable and happy at all times!"

3

“Don't wait any longer.
Dive into the Ocean, leave and let the
Sea be you”

- Rumi -

YOGA & FREEDIVING

On our **exclusive cruises**, you will cruise from one **freediving spot** to the next while participating in morning and afternoon **yoga sessions** held by an experienced instructor. The practice of āsanas (postures) and prānāyāmas (breathing exercises) leads to tranquillity and composure - the foundation of freediving.

- ✓ *Meditate, free-dive and explore the islands*
- ✓ *Experience tranquillity, equilibrium and sodality*
- ✓ *Suitable for beginners*
- ✓ *Perfect getaway for individuals and groups*

THE INSTRUCTORS

The instructors love Turkey, the Aegean Sea, yoga and freediving.

Kate Beck is the co-founder of **Yoga Cruise Turkey** and leading teacher of **Patanjali Yoga Switzerland**.

Her knowledge and experience in the subject of Yoga are internationally known and sought after.

www.patanjali-yoga.info

Oli Busato discovered freediving 9 years ago during a vacation in Greece. This experienced opened a new access to the underwater world and to himself. He holds a **Level 3 Certificate** (Pelizzari Apnea Academi) and he regularly trains at Tauchclub Apnoe Bern.
